

News Release – October 28, 2017

**North Central Region 4 of the Association Schools of Construction
Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota and South Dakota**

During October 25-28, 2017, the North Central Region (Region 4) of the Associated Schools of Construction (ASC) met at the Lied Lodge in Nebraska City, Nebraska for its annual conference and competition. Eleven of the seventeen universities in the seven-state region were represented. In attendance were 30 university faculty and 30 teams totaling 180 students. Events included this year were the ASC Region 4 Midyear Meeting, Leadership Breakfast/Career Fair, and the 25th Annual Construction Management Student Competition.

The following organizations attended the Leadership Breakfast:

- Mortenson Construction
- Bilfinger / Westcon
- Lusardi
- JE Dunn
- Alberici
- Interstates Construction
- The Builders' Association of Kansas City
- Kiewit
- Turner
- MCA of Kansas City
- Hensel Phelps
- S. M. Wilson
- Performance Contracting, Inc.
- McGownGordon Construction

Students competed in four divisions: Commercial, Design-Build, Heavy-Civil, and Specialty Contracting. They used real plans and specifications from projects that have already been or are currently under construction. The overall intent was to place students in “real life” project management situations. In an 18-hour period, they had to schedule, estimate, run cost analyses, and resolve several management issues that arose during the project planning phase. A panel of judges from industry reviewed and graded the team proposals that were prepared in the 18-hr time period by the students. The proposals included the team’s plans for managing and constructing the project. Students were asked to prepare and present their proposed ideas to the panel of judges. In order to facilitate such an environment, the judging panels were comprised of representatives from all facets of the construction industry.
