

Operating Procedure 07D ASC - Excellence in Teaching Award

The Associated Schools of Construction **ASC Excellence in Teaching Award** is made annually to one untenured or tenure track faculty member chosen from the ASC Regional Teaching Awards.

Eligibility

Must be a recipient of the ASC Regional Teaching Award and be able to demonstrate a beginning of service or potential to the ASC beyond that of their respective region activities (e.g. annual conference attendance, organizational and/or management committees as per ASC Operating Procedures, editor for one of the ASC publications, member of IJCER/Proceeding/CMCB editorial board/reviewer, etc.).

Application/ Nominations

It is the responsibility of that Regional Director to submit the application. Each Region Director is allowed to submit only one nomination from their respective Regional Teaching Award pool after they have completed their regional meeting.

Screening and Award

The final selection will be made by the Awards Committee prior to the ASC Annual International Conference. Applications will be evaluated on the faculty member's contribution to construction education, excellence in teaching, dedication to the construction profession, and any initial services provided to the international Associated Schools of Construction. The Award will be presented at the Annual International Conference and is limited to one annually. The Award recipient must be in attendance to accept the Award.

Award limit: One recipient per year.

Mail application to:

The Regional Director will forward the completed application to the Operations Manager. The application is to the documents from the ASC Regional Teaching Award application.
