

Operating Procedure 07E - ASC Regional Teaching Award

The Associated Schools of Construction **ASC Regional Teaching Award** is made annually to untenured or tenure track faculty, with two to six years of teaching experience at an ASC member school. This award recognizes the faculty member's contribution to construction education, excellence in teaching, service to the Associated Schools of Construction and dedication to the construction profession.

Eligibility

Any non-tenured or tenure track faculty member with a minimum of two years teaching experience from an ASC member school and who has provided service to the ASC at the regional level.

Application/ Nominations

Application must comply with this operating procedure. See attachment below.

A faculty member may be nominated by students, colleagues, him/herself or any other person familiar with the faculty member's qualifications.

Screening and Award

Every member school can submit applicants per the requirements listed in this operating procedure. Applications should be sent directly to the Regional Director five (5) days prior to the scheduled regional meeting. A decision will be made at the regional meeting regarding which nomination to advance. At the completion of the regional meeting, the Regional Director will forward to the ASC Operations Manager those awarded the Regional Excellence Teaching Award. The number of these awards from each region can be more than one.

In addition, the Regional Director will forward only one nomination from their respective ASC Regional Excellence in Teaching Award pool for the final selection by the Awards Committee for the ASC National Excellence in Teaching Award. See Operating Procedure 07A for more details for the ASC National Excellence in Teaching Award. This award will be limited to one annually from those forwarded from all the regions. The Award recipient(s) will be announced at the ASC Annual International Conference and the recipient must be in attendance to accept the Award.

Award limit: Determined by region.
